 - **G** The Boys & Girls Club has been an amazing experience for my family. It has meant having a safe place for my kids to go after school and during the summer. When they are at the Club, I know they are learning, interacting with their peers, receiving life experiences and building leadership skills that they would not have learned anywhere else. My kids are more productive and better people because of the Club."

JOE'S KIDS SUPPORT OPPORTUNITIES

Together – we inspire and enable creating pathways for success and bridging the divide for kids who need us most.

THE IMPORTANCE OF PARTNERSHIP SUPPORT

The Joseph Stettinius, Jr. Kids Fund (Joe's Kids) was formed to pay tribute to an inspiring volunteer who influenced the real estate community in support of the kids and teens served by BGCGW. A founding member of Youth & Real Estate, a past honoree and a 15-year member of the BGCGW Metropolitan Board of Directors, Joe was a caring, compassionate advocate of the Club mission.

The Fund will help to offset the membership costs for a youth to attend the Club. An annual membership for the school year costs BGCGW \$1,500, but families are only charged \$50. BGCGW never turns a family away due to inability to pay. The Joe's Kids Fund provides annual memberships to more youth in the Greater Washington Area.

WHY BOYS & GIRLS CLUBS

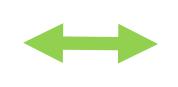

Today's kids have MORE. More opportunity, more access, more paths. But they also deal with more chaos, more risks, more danger. Our Clubs are doing whatever it takes to fill gaps, provide safe spaces and empower kids to imagine and achieve great futures.
