Field Trip Permission Form 2022

Yes, _____ has my permission to accompany the Boys & Girls Club on all field trips to parks, museums, amusement parks etc., and to ride in the transportation provided to and from a field trip. I will also discuss the safety rules for riding in club transportation with my child so that they fully understand what is expected of them. I also understand that there are consequences for bad behavior on the busses and that my child's privileges can be taken away.

Rules for the field trips:

Camp shirts must be worn on all Field Trips

All children must be secured by a seat belt while riding the bus

Children must keep their hands inside the bus

Anyone caught throwing trash out the windows will be suspended 1 day

No screaming, bouncing on the bus or rough play

3 behavior incidents will result in suspension, time deemed necessary

We will not hold the bus, stop at the light or meet any parent/guardian at the field trip site

Please arrive early for all field trips
