## **A heartfelt thank you to GEICO's continuous support and generous contributions!**

Over the years, GEICO has provided countless support to our kids and our organization. Most recently, GEICO has donated fifty (50) Bikes and Safety Helmets enabling our youth to experience a healthier and happier childhood through the joy and freedom of owning their own bikes.

Their financial commitment has afforded opportunities from new undertakings for our teens, to the expansion of our existing, life changing programming to the enhancement of our focus on education, character and leadership development.

“We know the only way to build stronger communities for tomorrow is to invest our time and energy today. We call it our insurance plan for the future and it’s a policy we’re proud of. We specifically focus on education, strong community engagement and promoting equity & inclusion”- GEICO
