BOYS & GIRLS CLUBS
OF GREATER WASHINGTON

Celebrating **20** YEARS

YOUTH & REAL ESTATE (YRE)

OUR HISTORY

In 2004, a small group of passionate individuals - BGCGW board members who were also in the real estate space - came together with a shared idea: to create an event that would provide a way to recognize the impactful work being done by their peers while simultaneously raising funds in support of the hundreds of youth served by Boys & Girls Clubs of Greater Washington.

At the heart of YRE are the many real estate professionals whose dedication and tireless efforts have brought us to this 20th anniversary celebration. We extend our deepest gratitude to our committees, sponsors and partners, whose unwavering support has made a positive impact on our kids. Year to date they have raised over \$10.5M!

OUR FUTURE

We extend a warm invitation for you to join us in our ongoing efforts to positively influence the lives of our youth and families, and to foster stronger connections within the real estate community.

In recognition of your thoughtful donation, one Club member will receive access to life-changing programs, opportunities and experiences for one year.

The Joseph Stettinius, Jr. Kids Fund (**Joe's Kids**) was formed to pay tribute to a dedicated volunteer, founding member of the Youth & Real Estate event, a past honoree and a 15-year member of the BCGW Metropolitan Board of Directors.

Joe's Kids plays a crucial role in mitigating the actual expense of yearly Club memberships, \$1,800. Our families only pay \$50, ensuring that no child is turned away for the inability to pay. By doing so, **Joe's Kids** extends opportunities to more children, granting them access to transformative experiences.
