OUR HISTORY

In 2004, a small group of passionate individuals – BGCGW board members who were also in the real estate space – came together with a shared idea: to create an event that would provide a way to recognize the impactful work being done by their peers while simultaneously raising funds in support of the hundreds of youth served by Boys & Girls Clubs of Greater Washington.

At the heart of YRE are the many real estate professionals whose dedication and tireless efforts have brought us to last year’s milestone, our 20th anniversary celebration. We extend our deepest gratitude to our committees, sponsors and partners, whose unwavering support has made a positive impact on our kids. Year to date they have raised over \$10.5M!

OUR FUTURE

We are incredibly proud of all we’ve achieved but we feel we have so much more room to grow. We are excited to have Sarah Davidson, *Insight Property Group*, leading this year’s event as our YRE 2025 Committee Chair.

We extend a warm invitation for you to join us November 19th, 2025 11:30am – 1pm at the Marriott Marquis for our 21st Annual YRE Luncheon. Together, we continue to positively influence the lives of our youth and families, and to foster stronger connections within the real estate community.
